

Igor's Story: About Me

Name: Igor

Age: 5 years old

Background: Igor recently moved to a new country and is still adjusting to his new surroundings. He is learning English and sometimes finds it difficult to communicate. However, he is very curious and eager to explore new things.

Family: Igor lives with his mom and his big brother, Vasya, who is 16 years old. His dad stayed in Russia after his parents got divorced. Even though his dad is far away, Igor has a strong bond with his mom and brother. They support him and help him feel safe in his new home.

Interests: Igor **loves cars!** He enjoys playing with toy cars, watching racing videos, and learning about different types of vehicles. His favorite cartoon is "**3 Kittens**," and he loves to talk about the adventures of the kittens from the show.

Challenges: Moving to a new country has been a big change for Igor. He is still learning how to speak English and sometimes feels shy when trying to talk to new people. He misses some things from his home country, but he is slowly making new friends and getting used to his new life.

Goals: Igor wants to feel more comfortable speaking English and making new friends. He also loves to hear and tell stories, especially if they include cars or characters from "3 Kittens." Stories about **brave kittens, fast cars, and exciting adventures** help him feel more confident and happy.
